Pneumatic drive

hydraulic drive

## Oiler on rack

**Article no.**    **Use on chain feeds**

SM 5495    All chain feeds possible

Available with water separator

## Set of hoses

**Type**

**Length**

Control panel  
(12 sets of hoses)    7 m  
(20m/40m for radio)

Power pack  
control panel  
(3 sets of hoses)    5m/10m/20m/40m/50m  
(0.8m for radio)

Exact length on request

## manual control panels

hydraulic, maintenance-free direct control panels

## Radio control

**Lumesa** also offers a radio control panel instead of a manual hydraulic control panel. The big advantage is the flexibility in drilling and much less weight compared to the manual control panel.
